Dice Cards by Luca Volpe and Alan Wong

Luca Volpe & Alan Wong are proud to present The Dice Cards!

Elevate your mentalism and magic performances with these incredible **Dice Cards!** Perform mind-blowing routines without any electronics - these cards are 100% reliable and always ready to amaze. Originally designed for board games to ensure varied results, these cards look and feel like a regular deck, making them perfect for everyday play and extraordinary illusions.

These cards feature an ingenious marking system, undetectable to your audience yet crystal clear to you. No calculations needed! The markings instantly reveal the dice value, allowing you to predict outcomes with uncanny accuracy. A subtle one-way front marking system adds another layer of deceptive potential, opening up even more possibilities.

You'll receive two sets of **Dice Cards** (six with white dice faces and six with black), all crafted from 100% durable plastic for a lifetime of performances. The discreet box looks like a standard playing card case, ensuring no suspicion from your audience.

Inside, you'll find a comprehensive PDF booklet packed with routines and ideas for close-up, parlor, and stage performances. Plus, a downloadable video provides extra tips and handling techniques to perfect your act.
