

## Transparent Matrix (Half Dollar) 2024 by Richard Mo

The **Trans Matrix 2024 by Richard Mo** offers a modern take on the classic coin matrix routine. Featuring transparent cards, this effect allows your audience to clearly see the coins as they vanish, transfer, and reappear, enhancing the visual impact of the performance.

This set includes 4 transparent cards and high-quality gimmick coins, along with a portable black card mat and a leather card wallet.

The **Trans Matrix** is easy to perform and requires no advanced sleight of hand, making it ideal for magicians of all skill levels. With this 2024 edition, Bacon Magic delivers a refined version of a timeless routine, now more accessible and affordable than ever.
