

Apollo by ARK - Pokerdeck

In Greek mythology, the twelve Olympian gods, led by the god-king Zeus, defeated the Titans, after which they settled on Mount Olympus, ruling over the world. They governed all events and entities, possessing supreme divine power and glory.

Apollo is one of them. He is the twin brother of Artemis and the guardian god of Delphi. He governs music, medicine, healing, and prophecy, making him the most versatile and handsome deity in Greek mythology, known as the "eternally youthful handsome youth."

Mentioning Apollo always brings to mind the melodic harp sound and the sun-like aura under the laurel crown. He shines brilliantly, dispersing clouds with his arrows, and adorns the sky with fiery clouds.

ARK brings a wealth of Olympus myth-themed illustrations and a brand-new creative tuck case.
