

Spirit Bell Deluxe Set by Tony Anverdi

Elevate your sÃ©ance with the **Deluxe Spirit Bell** an extraordinary evolution of the beloved original, offering deeper mystery and even greater theatrical impact.

In place of the traditional ringing mechanism, a mystifying swinging hammer now gently strikes the thick, resonant bell, seemingly of its own accord. Mounted atop a beautifully hand-crafted wooden base, this elegantly designed system doesn't just ring it speaks, as if echoing whispers from beyond.

Enhancing the experience is the inclusion of a bespoke Spirit Cabinet, a stunning display case that doubles as a performance prop. Whether resting on a bookshelf, in your studio, or center stage, it commands attention. Inside, you'll discover a carefully curated collection of gimmicks and accessories, allowing you to craft an entire spirit cabinet act all culminating in the haunting chime of the bell.

Anverdi was a constant innovator, and we have maintained his revolutionary spirit in this updated version. Unlike other bells on the market, **Anverdi's Spirit Bell** is fully examinable. Your spectators are even welcome to assemble the device themselves, and they'll never figure out the secret.

As with all of Anverdi's creations, the **Deluxe Spirit Bell** is a testament to precision craftsmanship, reliability, and subtle sophistication. Also included are the signature oversized marked card sets: one ESP set and one storytelling set, each printed on thick card stock and designed to seamlessly enhance your narrative with layers of mystery.

Invite your audience into a richer, more immersive world of enchantment. The spirits are ready to perform... are you prepared to call them forth?

*"I can remember back in the 60s and 70s when I first became aware of the name **Anverdi**. The quality of the props and the ingenious methods for some great magical effects were stunning! Now, over 60 plus years later, it is once again stunning to see this new product that Murphy's Magic, the new owners of the Anverdi line, is offering! **The Spirit Bell** effect is a classic and these are the best props ever for performing this effect, plus others, and at an incredible price point! If this kind of magic is your thing, run to place your order!"*

-Richard Osterlind

*"I am absolutely blown away by the **Anverdi Spirit Bell**!. It's everything you could wish for.... and SO much more. Mind boggling technology, visually stunning and spooky as hell! I love it and it is going straight in my show!"*

-Matthew Wright

*"Real mystery is a rare commodity in a lot of the magic that's produced these days but this **Spirit Bell** has it in spades. **Anverdi** would be proud to have his name on this amazing reimagining of his timeless effect."*

-Jim Sisti

*"The **Anverdi Spirit Bell** is a beautifully crafted, authentic looking prop that will build intrigue and mystery long before your performance even begins"*

-Bro Gilbert

*"Without a doubt, The **ANVERDI Spirit Bell** is the BEST Spirit Bell I've ever seen! The moment I first saw it, I wanted one for myself. Exceptional in quality for performance and stunningly crafted to shine as a display piece in any home."*

-Menny Lindenfeld
