

No Borders Edition 2 Maidens Back by Joker and the Thief - Pokerdeck

Discover **No Borders Playing Cards** - a bold new series of collectible decks designed in collaboration with artist Pedro Oyarbide. Featuring six striking borderless designs, each deck blends functionality with the unmistakable Joker and the Thief style.

This series is a celebration of Joker and the Thief's 10 Year anniversary and includes 6 designs inspired by projects we have launched in the past. Inspired by some of our most beloved projects over the years. The patterns on the back of these decks was present in the inside of the tuck boxes of decks like Victory, Dystopia, Maidens and the original Joker and the Thief deck.

Each deck comes with:

- A viewing window tuck box with perforated foil seal
- Identical courts, Ace of Spades, and Joker and Thief cards
- A unique, fully custom back design
