

SVENGALI DECK (Gimmicks and Instructions) by Apprentice Magic

The **Svengali Deck** is a Classic of magic and is one of the most versatile props in all of magic!

You show a deck of cards and ask someone to choose a random card. The card is placed in the deck, then, like real magic, It jumps to the top! After that, the card is once again cut into the deck and Amazingly, the card has returned back to the top of the deck!!

If you take the chosen card, place it on the bottom of the deck, and snap your fingers.. ALL THE CARDS change into the chosen card. Simply cut the deck in half once again and everything changes back to normal!
