Aquarius Zodiac Playing Cards

- part of a constellation series by IRTYSH Creative/WohStudios.

The deck highlights Aquarius zodiac sign with unique astrological-themed designs. AQUARIUS The symbol of Aquarius represents the waves of water and air, being both tangible and abstract. The mythology of Aquarius reveals the love of freedom and individualism of this sign. The waves that symbolize Aquarius are a representation of high intellectuality, and thinking about the characteristics of Aquarius in terms of wave properties seems orderly but lacks a specific image.
