

Sun Smoke with Vanisher

Now, anyone can perform magic where silk disappears into smoke!

It's not difficult. You just press the button and the magic will come true in your hands. Feel the power of magic for yourself. And the silk and smoke goes well with any magic.

Try **Sun Smoke with Vanisher** with all your objects! Then the audience will be even more amazed.

But this is not the end. By using the **Sun Smoke with Vanisher** mode switch, you can choose between the Vanisher mode and the Vanisher + smoke mode. Depending on your magic, choose the mode you want to use! Then your magic will be even more advanced! There are also holes to use reel for sleeve. I hope our device can help you a lot.
