

Hand Picked Astonishments INVISIBLE DECK RED with Joshua Jay by Murphy's Magic

This series is a hand-picked selection of the most powerful and performer-friendly routines from magic's finest creators.

These routines are the personal favorites of magic's top minds, designed to amaze both beginners and seasoned professionals alike.

Everything you need to start performing is included in the set, right out of the box!

Taught by the legendary Joshua Jay, each effect is broken down with meticulous detail, ensuring every move, motivation, and nuance is explained for complete clarity and mastery.

Hand-Picked Astonishments: Invisible Deck Set offers a complete guide, starting with the basics and progressing to advanced techniques.

You'll learn how to maximize the potential of the Invisible Deck, explore unique variations, and create effects that leave audiences speechless.

Whether you're a newcomer or a seasoned pro, this collection is packed with exclusive routines and concepts that will elevate your magic to the next level.
