

The Parlour Royale Legacy Edition (Gold Gilded) - Pokerdeck

The Parlour Royale Legacy Edition

, presented by the Gentleman Wake and designed by Stockholm17, features a gorgeous gold-foil embossed tuck case featuring a die cut opening perfect for showcasing the striking owl and beetle ace of spades card within the tuck. Surrounded by detailed and ornate typography and featuring strong nods to the Victorian stylings that served as inspiration for the design of the deck. The tuck case is printed on special gold card stock and features gorgeous repeating gold-on-gold foil pattern in the interior of the box.

Perfect for collectors, players and magic enthusiasts everywhere. Classic and beautiful, evoking turn-of-the-20th-century style and elegance and the finest modern handling and playing card printing techniques.

Featuring stunning gold gilded edges blending in perfectly with the interior of the tuck case. The cards are printed on 310gsm smooth handling paper stock with linen finish and shine illustriously with gold cold foil application.
