Mini Chop Cup by Rodger Lovins Magic

This high quality chop cup is so small, and compact it is the perfect size for your close up or walk-around performances. It comes with the gimmicked "real porcelain" espresso cup, one magnetic rubber ball and one matching regular ball.

HERE IS WHAT SOME ARE SAYING ABOUT ESPRESSO!

- "I picked this up for table hopping, and I love it!"
- "Rodger Lovins has done it again! The way this is gimmicked you can let the spectator see the ball dropping into the cup!"
- "Just buy it, you will be so glad that you did."
- "This looks so innocent! No one would ever suspect it to be a magic prop....plus using the rubber balls and not those knitted ones, makes it very stealthy indeed!"

These are being offered in a very limited production run, so don't delay in ordering yours today!
