

Pyramid Puzzle Deluxe by Murphy's Magic

Unleash your inner puzzle master with the **Pyramid Puzzle Deluxe**!

This isn't your ordinary puzzle-it's an exciting, mind-bending challenge like no other.

Unlike traditional pyramid puzzles, where you simply put the two pieces together to form the pyramid, the **Pyramid Puzzle Deluxe** comes with an unexpected twist: instead of using two pieces, you use three pieces to complete the puzzle!

But that's not all! The Deluxe version takes things to the next level with an extra (4th) piece that will keep them guessing!

This extra piece can be switched in and out, but once it's switched in for one of the normal pieces, completing the puzzle becomes absolutely impossible!

Only YOU hold the key to unlocking the final solution. Sneaky... we know.

Ready for the challenge? The **Pyramid Puzzle Deluxe** isn't just a puzzle-it's a mind-bending, ultra-fun experience your friends won't soon forget!

Handcrafted from solid wood and designed to be nearly twice as large than typical models, this puzzle will captivate you with its simple-complexity and craftsmanship.

Murphy's Magic welcomes you to the **Pyramid Puzzle Deluxe**
