

Diamond Back Knife Set by Rodger Lovins

Our **DIAMOND BACK SET**, consists of 3 high quality, bone handled, magicians knives. They were built by the Rough Ryder Knife Company of Sevierville Tennessee. Rough Ryder handpicks the best materials from every corner of the world to build their knives. This set is very small, only 2 3/4" long, 5/8" Wide and 3/8" thick, making them easy to carry in your pocket. The rounded handles and bolsters makes the "paddle move" almost effortless and helps with flashing as well! The diamond pattern is deep laser etched into the handles and then polished for a great diamond pattern look, so determining one side or even one knife from another while in your pocket is a breeze!

This is a limited production run of only 150 sets!

ORDER YOURS TODAY!

WARNING: These are very sharp pocket knives, so great care should be taken while handling them with the blades open!
