

Close Up Matte - The DMC Luxury Close-Up Pad

Meticulously produced by Netflix star Drummond Money-Coutts, the **DMC LUXURY CLOSE UP PAD** is the ultimate stage for your close-up magic and miracles. Whether working with cards, coins, or any close-up props, this stunning creation transforms any surface into a professional performance arena in seconds.

Simply roll out the (Erdnase green) 40cm x 60cm pad and watch as wooden, glass, marble or metal tables become the perfect setting for your magic. Crafted from exquisite Italian microfiber velvet and supported by 5mm of premium neoprene, it delivers a luxuriously soft handling surface-protecting your props, enhancing your sleights, and ensuring flawless control in every routine.

Presented in a bespoke, embossed and gold-foiled tube, the **DMC LUXURY CLOSE UP PAD** is as elegant to transport as it is to perform upon, offering both style and protection between performances.

Whether you're dazzling guests at a luxury event or refining your artistry in private practice, this is the tool that elevates your magic to the highest standard.
