

Alchemist's Chest by Bond Lee, Waylon, & MS Magic

Alchemist's Chest

: Unbox the infinite.

Unleash your inner alchemist and turn any object into an endless supply with the Alchemist's Chest-the ultimate magic prop for boundless creativity.

Its core effect is stunning yet simple: Show the audience an empty chest, place a single piece of chocolate inside, close the lid, and with a magical gesture-the chest overflows with a whole box of chocolates.

This versatile chest isn't limited to sweets. It works seamlessly with various items, including playing cards, snacks, small gift boxes, jewelry, and any object that fits its size. Beyond multiplying objects, it enables you to perform mind-blowing effects, like production, vanish, force and prediction -one chest, infinite magical possibilities.

Crafted from high-quality wood, it boasts an elegant, premium look and durable structure. With ultra-simple operation and wide application scenarios, the Alchemist's Chest is perfect for magicians of all skill levels.
