

TrickStarters Flash Cash by Zach King & theory11

INCREDIBLE magic tricks that you can LEARN AND PERFORM TODAY

Trickstarters is a new magic series presented by Zach King and theory11.?

Each trick is engineered to *astonish* your friends and family?- and they're easy enough for anyone to learn!

Flash Cash

Show an empty black wallet, front and back. In a split second, the wallet instantly fills with cash! It appears in the blink of an eye, and it's easy to learn.

Key Coin Mystery

Cause a solid metal key to visibly penetrate a normal USA quarter! Your friends can even examine the key and the quarter to prove that they're solid!

Vanishing Car

Imagine having the power to make a car visibly vanish then re-appear back where it started! Everything you need is included in the box.

Conjuring Crayon

Show a normal real crayon - then instantly make it split into THREE pieces. Then, cause the pieces to fuse back together - and it's fully restored!

REAL TRICKS. No CGI!

Perform for your friends & family

If you're on social media, you've seen Zach King's viral videos. His *digital sleight of hand* has racked up billions of views. With **Trickstarters**, you can perform some of Zach's favorite magic tricks and bring the feeling of CGI into the real world. These magic tricks are EASY to learn, and FUN to perform - either in person or online!

EASY TO LEARN

Fun to Perform!

Each Trickstarter magic trick is taught by Zach King with crystal clear instruction, making it incredibly easy to take them out of the box and perform them within minutes! Special thanks to Zach King, Tenyo, and Blake Vogt for bringing these ideas to reality and into your hands.
