

Virtuoso Wallet by Gerard Kearney

Introducing the "**Virtuoso Wallet**"

A Masterpiece of Function, Form, and Everyday Magic

The "**Virtuoso Wallet**" is not just a wallet-it's a performance piece in your pocket. Designed for those who appreciate craftsmanship and versatility, this sleek and modern wallet is your ****everyday carry**** with a powerful twist: it's both a "peek wallet" and a "card-to-wallet" system-crafted seamlessly into one stylish design.

Use it with or without an envelope for the card-to-wallet effect, making it perfect for impromptu performances, casual miracles, or even professional routines. The wallet's casual hip aesthetic makes it ideal for jeans, jackets, or suits-always ready, never out of place.

Bold, Clean, Invisible: The Peek

The Virtuoso features a large, discreet peek window that opens the door to endless possibilities for mind-bending mentalism routines. Whether you're revealing a thought-of word, a drawing, or a secret number, this peek is designed for maximum clarity and minimal suspicion. Get your information smoothly and naturally-without ever tipping the method.

- Dual Functionality: Peek and card-to-wallet combined into one.
- Envelope Compatible: Works perfectly with or without an envelope.
- Spacious Currency Compartment: Holds bills of **any currency size** with ease.
- Everyday Carry Ready: Designed for real-world use with quick access to cards and cash.
- Powerful Peek Window: For clean, direct, and undetectable information gathering.

Whether you're a magician performing miracles, or simply someone who demands more from their wallet, the Virtuoso is your tool of choice.

Virtuoso
