

Teddy by Michel Huot - Bühnentrick

The spectator names their favorite stuffed animal, chooses a plush toy... and that's exactly the one you pull out, with its name engraved on it. David Copperfield, the first to adopt Teddy.

A ROUTINE FILLED WITH EMOTION & CHILDHOOD MEMORIES

Teddy by Michel Huot isn't just another card trick — it's a true emotional experience. Your spectator is instantly transported back to childhood as they reveal the name of their childhood teddy bear... The magic happens when the plush bear you remove from your pocket carries that exact same name, engraved on a small tag around its neck.

BUILT FOR WORKERS

Designed for both professionals and passionate magicians, Teddy is simple, fast, and effortless to perform. Perfect for table-hopping, close-up, street magic, or stage performances, this routine adapts to any setting. Michel Huot himself performs it regularly. Proof of its real-world power and practicality.

READY TO PERFORM — RIGHT OUT OF THE BOX

The box set includes everything you need: the plush toy, custom-illustrated cards, name tag, and a complete tutorial. Refills are included for around twenty performances, and every component can be easily replaced with inexpensive items from any store. A turnkey routine, accessible to everyone with maximum emotional impact.

DAVID COPPERFIELD, THE FIRST TO BELIEVE IN TEDDY!

An unforgettable moment took place at **Magic Live Las Vegas 2025: David Copperfield** himself became the very first buyer of Teddy! From the moment he saw it performed, he was captivated by its emotional strength and fresh, original concept. When a world legend rushes to add Teddy to his personal collection, you know it's something truly exceptional. It's not just a trick, it's a creation that moves even the greatest magicians.
