

# **Professional Snowstorm Pack (12 pk) by Murphy's Magic**

## **The Professional Snowstorm Pack**

**by Murphy's Magic delivers a breathtaking visual explosion of snow designed to fill the stage with light, motion, and pure magic!**

**Each packet contains an ultra-white, non-stick load engineered to catch and reflect stage lighting beautifully, creating a floating blizzard effect that feels alive in the air.**

**The premium paper is precisely cut and packed for maximum volume, ensuring they open effortlessly and rise smoothly with even the smallest fan or hand movement. Because they're all white and ultra bright, the snow reads clearly from close-up environments all the way to large theaters, making the effect as visible as it is emotional.**

**With twelve professional-grade packets included, you have everything you need for multiple performances, rehearsals, or reliable backups in your case. Lightweight, drama-filled, and crafted with consistency in mind, Murphy's Professional Snowstorms add a powerful, poetic finale to any act.**

### **Includes:**

- **12 / Super-white storms**
- **Online instructions**
