

Subtle Card Creations Vol. 5 by Nick Trost - Buch

The fifth volume of Nick Trost's Subtle Card Creations continues with a wealth of new material - effective and subtle card effects - designed to entertain and baffle spectators.

There are over 100 tricks in 12 chapters, including:

Gambling Tricks

Predictions

ESP Cards

Gilbreath Plays Poker, Part 2

More Pinochle Puzzles

Select Card Effects

Coincidences

Royal Roundup

Poker Tricks and Deals

The late Aldo Colombini read a draft of the book and said: "This book will appeal to a wide range of readers. Nick's fertile imagination has created some of the most truly memorable effects during the past few decades of his enviable career. Don't even think you'll be able to walk away from the book once you begin reading it. After the first couple of tricks, Nick Trost magic will own you until you reach the final page!"

Pages: 231 - 7.5" x 10" - Hardbound with dustjacket.
