

## LUXX Palme (Limited Edition) - Pokerdeck

Palme is back, with a special edition to celebrate our 10 year anniversary. Originally the second design in our LUXX series, Rick Davidson has refreshed and improved one of our most loved releases. Inspired by the beautiful Paisley pattern.

The original was described by Lawrence Sullivan, founder of Legends as "very subtle and one of the most elegant decks we have ever printed" this is a beautiful full bleed, borderless back design gives this deck a unique look and style which is carried through the deck and onto the stunning tuck box.

The first edition was named in the 'Top 12 decks of 2015' by our friends over at card blog Kardify. A fully custom deck with metallic inks, 4 custom Aces and 2 beautiful Jokers is housed in a stunning tuck box with a wrap-around design and embossing complete with matte foiled LUXX® logo.

The 2022 version is a limited edition of 1000 decks printed on classic finish by the Legends Playing Card Company,
