

## Rabbit Table by Tora Magic

This beautiful table is a stage prop: it's portable, convenient, and looks great. Its eye-catching design makes it perfect for any kind of performance and kids absolutely love it. It has a round top that provides space for magic props and supports items like a production box or a Square Circle.

A touch of professionalism in every show!

- Produced and Designed by Tora Magic Company.
- The table is an incredibly useful accessory, and you'll love using this model because it has a truly striking design!
- Sets up in seconds, as demonstrated in the video. After the performance, it quickly folds down flat for easy transport and storage.
