

NYX Velvet by Luca Volpe

Following the global success of the NYX PROJECT, Luca Volpe is thrilled to present **THE NYX VELVET**.

Due to popular demand, a deck of playing cards has been created utilizing the same ingenious marking system from the NYX PROJECT, while maintaining its elegant aesthetic.

Luca Volpe and Phil Smith have reunited to craft a deck unlike any other.

In fact, this deck boasts numerous features that make it a perfect tool for magicians and mentalists alike.

Special features:

- 52 Playing cards with a refined aesthetic
- Built-in word reveals on selected picture cards, utilizing the same words from the NYX Project
- Psychological forces incorporated into picture cards
- Joker card reveal
- One-way back and front design
- Mnemonica Stack built-in, allowing for impressive routines even for beginners

The deck also includes a special reveal that has never seen before on a deck of cards!

Bonus content:

- Video download featuring Luca explaining various uses of the deck
- Full PDF booklet teaching a complete stage show using only the NYX Velvet deck

Crafted with the finest luxury finish (German black core paper) in a deep red elegant color, elevating your performances with a touch of sophistication.

Combining the word and number features of the NYX Project with this deck creates an incredible mentalist's tool, unlocking the potential for hundreds of

powerful routines that pack flat and play big.
