Shiraz Wine Bottles by Tora Magic

You can perform a variety of tricks with these bottles, like the one where the bottle switches places with the glass, the pass bottle, bottle multiplication, and more... You can incorporate them into comedy or classic shows.

The use of advanced, proven laser technology combined with excellent solid aluminum, plus a glossy finish and water-resistant labels, has resulted in a bottle with an incredibly realistic look. This unique set includes 8 bottles and 2 tubes. The entire set can be carried inside one of the tube covers. Lightweight! Durable!

Designed to leave everyone in awe!

Nano technology (water resistant).

The best and most durable aluminum used in production.

Space inside the bottles for wine.

The labels are nano and PVC. Extra labels are included in this set.

Extra shiny color.

A special wooden box is designed for this product to achieve the best effect.

A classic and attractive act, perfect for any situation.

• Produced and designed by Tora Magic Company.
