

Mental Cubes by Tora Magic - Bühnentrick

Start your performance by showing 9 cubes with printed photos, 6 images, and an empty frame. Mix up the cubes and have a spectator choose an image. Then, place the cubes in the frame according to the spectator's directions. Finally, reveal the chosen image and turn the frame around... magically, the image formed by the cubes in the frame is exactly the same as the one chosen!

- Designed and produced by Tora Magic Company.
- This product includes the cubes, a black frame, and a card with online instructions.
