

Grand Tulip Purple by Dutch Card House Company - Pokerdeck

A new chapter in the Tulip Playing Cards journey from Dutch Card House Company.

The **Grand Purple Tulip Playing Cards** are the latest addition to the beloved Tulip series, continuing a tradition that began in 2019 of celebrating Dutch heritage through refined playing card design.

Building on the success of the Grand Tulip editions introduced in 2023, this deck features a refined back design with renewed focus on the center of the card. The custom court cards and faces have been recolored and enhanced to perfectly match the Grand Purple Tulip theme, while retaining familiar details to keep the series cohesive.

As with previous editions, the Jokers showcase iconic Dutch imagery, including Amsterdam canal houses and traditional windmills. The tuck case features a die-cut window, offering a glimpse of the intricate back design inside.

The **Grand Purple Tulip Playing Cards** are a limited edition, with a minimum print run of 250 decks, ensuring rarity, exclusivity, and strong collectability.

A refined and elegant deck that blends **Dutch artistic heritage with exceptional craftsmanship** a standout piece for collectors and enthusiasts alike.
