

HA-BRACADABRA II by David Regal - Buch

David Regal is back with another collection of humor themed around magic.

This small, inexpensive, lovingly produced book is an antidote to pretention, offering one hundred ways in which we can laugh at ourselves.

A perfect gift item for the person in your life who into the conjuring arts and experienced the ups and downs that come with "having the bug."

Practice is important. So is smiling.

6" x 6", full-color, hardbound.
