

Instant Paper to Money Kid Version (Japan) by Miguel Pizarro and Crazy Jokers

Welcome to the best and cleanest version of the classic paper-to-money (banknotes) transformation.

Miguel Pizarro is one of the finest makers of handcrafted magic effects. From the underground scene to the world stage, he is proud to present one of his most versatile and professional creations.

The "Paper to Money" effect is one of the audience's favorites-it's the magic of desire: transforming simple pieces of paper into real money. What more do you need to prove your "real magic"? How about those pieces being papers painted by children!

This is the perfect version for beginners, hobbyists, and professional magicians, very easy to perform and highly visual.

It's perfect for close-up magic, parlor, and as you can imagine, it resets instantly!

Everything about this product is very well made and carefully thought out. All sets are ready to work with top quality, and in this version, the papers that transform are "banknotes" painted by children, making the effect EVEN more commercial and memorable for your audience.

You will receive everything ready to use, along with many handlings from great magicians, including Pipo Villanueva, Alberto de Figueiredo, Adrian Vega, Alberto Ruano, Fernando Figueras, David Redondo, and many more.

Simply choose the version you like best and start playing with this visual miracle!

Instant Paper to Money is a favorite of world-renowned performers like **Dynamo** and **Xavier Mortimer**, and it's sure to be one of your favorites too!

Note: You will receive all the gimmicks ready to use and many "special papers painted by children." You will only need to add some real or fake money to the product.
