

Anniversary Edition Ultimate Chair Test (Stage) by Luca Volpe and Alan Wong

15 Years Ago Luca Volpe published his Ultimate Chair Test Act, and it was a blast in the mentalism community! Performers like Chuck Hickok, Richard Osterlind, and many other professionals raved about it. This routine has been performed all around the world by top mentalists!

After years, it is now available again, but fully updated and with the full props included so you can perform it straight out of the box!

As always, the Professional Line of props, released by Luca Volpe and Alan Wong, is designed with the performer in mind. This allows you to confidently present it on any stage without any failure.
