

Alas Chris & Jones (Softcover) - Buch

Professional magicians and creators Chris Congreave and Gary Jones have been friends and collaborators for almost 20 years. In that time they have released between them (and together) dozens of effects and routines, many are in the repertoires of lots of working magicians.

Alas Chris & Jones is the best of their work from the last 20 years. 72 routines that they have carefully selected from their previously published books as well as 16 brand new effects that have never before been seen. As well as essays on performing close up magic and misdirection.

Chapters on card magic, coins, mentalism and "something different".

Alas Chris & Jones is a beautiful book that you will absolutely love.
