

## **Deck Shooter (Black) by Hanson Chien**

### **Deck Shooter**

**is inspired from the detachable magazines (in firearms). Users can eject a deck of cards out of the leather case with a neat dashing move. In addition, its fine look functions as a deck protector. What's more, our Deck Shooter can contain almost every deck size, no matter where the decks are made from -- Taiwan, Europe or America.**

**Deck Shooter is made with quality PU leather.**

**Not easy to crease, 100% handmade.**
