

Sacred Legends Black Edition by HypeLab - Pokerdeck

Sacred Legends: Seishin no Densetsu

brings divine stories and legendary heroes into a deck of playing cards with a fun, modern twist.

Drawing inspiration from Greek, Japanese, Chinese, and Indian traditions, the deck reimagines familiar figures through playful creativity and thoughtful design. Each card blends mythology with imagination, capturing the spirit of characters like Zeus and Amaterasu in a bold, vibrant style. The deck is printed on premium German black-core card stock with a smooth cushioned finish, enhanced with metallic color printing. The tuck box features hot foil stamping and embossing on thick paper stock.

Limited print run of 500 decks.

Available in Gold and Black editions.
