

Handy Sound 3.0 (Coin Sound)

Eleven years since Handy Sound 2.0-the long-awaited evolution is finally here! The **Handy Sound 3.0** many magicians have been eagerly anticipating. This is a professional-grade sound gimmick born to naturally enhance the realism of magic through "sound."

The audience didn't just "see" it-
they "heard" it for sure.
That's why they believe it.

From Origin to Perfection

This single unit is the crystallization of the series' evolution, packed with all the improvements.

The upgraded version of the sound device series that sold over 10,000 units worldwide is finally complete.

Handy Sound 3.0 delivers:

- High-quality sound
- High volume
- USB rechargeable

Significantly upgraded from its predecessor.

Refining the core concept cherished since the first model-"reinforcing reality through sound"-

it has evolved into a battle-ready model designed for "use anytime, anywhere, without hesitation."

Choose from 2 Sounds

Carefully selected sounds with outstanding effectiveness in actual performances.

Sound 1

The "clink" sound of a coin dropped into a cup

- Leaves auditory proof of insertion
- The lingering realism makes the vanishing moment decisive
- Simple, yet powerful

Sound 2

The "tap-tap" sound of a spoon striking a cup

- Acoustically confirms "it's there"
- Elevates classic vanishing magic to more convincing performances
- The sound that surprises even those who know the trick

For beginners and professionals alike

"Usable sounds" at their best.

- High-quality sound & powerful speaker
- Rechargeable for stable performance
- Simple operation that doesn't disrupt your performance
- Portable and ready to use instantly
- At the end, you can show there's nothing in your hand

No extra steps needed. Focus on your performance.

Sound is invisible proof

And the ultimate misdirection.

Handy Sound 3.0 isn't a flashy device or a complex contraption.
But once you use it, you'll never go back to "sound performances."

For beginners, it's a reliable ally.

For pros, it's a trump card that multiplies your performance's persuasiveness.

World-class sound magic, in your hands.
