Introducing **Fantasy Rose** by Leon King, presents by Bond Lee & MS Magic

### **The Ultimate Upgrade to Our Beloved Rose Silk**

Elevate your stage magic with Fantasy Rose-the revamped version of our Rose Silk, designed for maximum visual impact with minimal effort.

Perform seamless, customizable routines that wow audiences every time: pull a vibrant silk scarf straight from the rose bloom, transform the flower's color in an instant, then make the matching scarf shift hues right before their eyes-white to red, red to white, and back again, all at your command.

With its simple operation and flexible sequence design, this prop is a must-have staple for any stage magician looking to add a touch of enchanting elegance to their act.
