The Magic Apple presents **KISS MARRY KILL** by Jeremiah Smith

Based on the classic party game, "**Kiss Marry Kill**" is a wildly entertaining magic effect that leaves audiences laughing AND with their minds blown. You show pictures of Michael B Jordan, John Krasinski and Chris Hemsworth and tell the spectator they get to Marry One, Kiss One and Kill One! They make ALL the decisions! No FORCE! And they REALLY can change their mind mid-routine!!

Once the spectator has made their decisions, you show a (custom made) coffin shaped envelope with a single prediction in it! You guessed it, all three choices are HAND WRITTEN on the piece of paper!! Your prediction is correct 100% of the time. It is SO EASY and SUCH A FUN walk around routine.

Works great for close up, formal shows and impromptu situations!

This plays REALLY well for guys AND girls!

You get everything needed to perform!

Very easy to do!

High quality cardstock images and 'tokens'

Coffin envelopes are made from a durable synthetic paper to last a lifetime.

Resets the second you are done!

Everything has been custom made and printed! You'll get a COMPLETE tutorial on "work" and the subtleties needed to perform this awesome trick!!
