

COLOR MATCH TASKMASTER by Tony Anverdi

From the mind of Anverdi comes a revolution in mentalism! No charging, No limits, No boundaries.

Meet the **Anverdi Color Match TASKMASTER**, engineered for today's performer.

Six Active Pens:

Use any brand of colored markers! No special ink, No gimmicked refills, No charging. Ever.

App & Wireless Remote Integration:

Receive your secret color codes instantly through your phone or the included remote.

Experience tactile vibration feedback for total stealth and confidence.

Hide your color code in plain sight right inside the app.

Perform Anywhere:

Whether it's close-up, parlor, stage, or television, the Taskmaster adapts to every environment.

Your imagination is the only boundary.

Beyond Colors:

- Perform routines that transcend visuals:
- Sense the scent your spectator is smelling.
- Reveal the wand a child has chosen.
- Predict thoughts across any setting or audience.

Affordable. Powerful. Limitless.

Step into the world of professional mentalism without breaking the bank.

This isn't just a color match system, it's a gateway to miracles.
