

Snackzilla Classic (Yellow) by Pilato

You display a small snack bag.

With a magical gesture, it instantly grows to four times its size.

With another magical swipe, the snack grows again, this time to an incredible 16 times its original size.

Finally, you create a giant snack, creating a stunning visual climax that will delight any audience.

Snackzilla is a high-impact visual effect, perfect for stage magic, family shows, children's performances, and comedy sketches.

Features:

- Progressive and extremely visual growth effect
- Designed for stage and auditorium performances
- Works perfectly for children's shows and comedy magic
- Large final production, visible from a distance
- Easy to perform and integrate into existing routines
- Ideal as a main act or as a visual gag

Includes

:

- 1 Snack
- 2 Small potato figures
- 1 Giant potato figure
- 1 Giant card
- 1 Video tutorial with 3 different routine ideas you can directly apply to your shows

Available in 2 versions

:

- Classic Snack (Yellow)
- Spicy Snack (Red)

Snackzilla

delivers belly laughs, great visuals, and a giant reaction: an unforgettable moment of magical growth for performers looking to make the most of their stage presence.
