

Bicycle - Colors Playing Cards

"Can you do something for my kids?" Well... Now you can!

Most of the magicians use playing card that are not adapted for children.

That's why we thought of the Bicycle Colors. A deck made for magicians to perform for children.

No more Spades, Hearts, Clubs and Diamonds. We replaced them with 4 vibrant colors from 1 to 10 (blue, red, green, yellow). With these 40 cards, you'll be able to perform all of your favorite routines such as the ambitious card routine, sandwiches and way more...

We also took off the court cards and replaced them with 15 gaff cards to perform high visual effects adapted for them!

This is a deck we should ALL have in our magic bag «just in case».

You'll never be afraid to perform for kids anymore thanks to the Bicycle Colors.
