

RONIN (Club Clan Edition Green) by Kings Wild Project - Pokerdeck

Introducing "**Ronin**," a hand-illustrated deck of playing cards that transports you to the golden age of the Samurai warrior. Inspired by the powerful artistry of traditional Japanese Kuniyoshi paintings, each card captures the spirit of the legendary Samurai with stunning detail and reverence to the ancient code of honor.

At the heart of "**Ronin**" are four distinct Samurai clans, each represented in its own deck: the Heart Clan, the Club Clan, the Diamond Clan, and the Spade Clan. Each clan is brought to life through intricate, one-of-a-kind artwork, with a unique back design tailored to their story and symbolizing their fierce loyalty and strength.

Housed in beautifully crafted tuck cases, these decks feature embossing and luxurious foiling accents, adding an elevated, tactile experience to every touch.

Whether you are a card collector, a fan of Japanese art, or a lover of finely crafted playing cards, "**Ronin**" offers a journey into a world where art, tradition, and the spirit of the warrior come together. Honor the legacy. Embrace the **Ronin**.
