

Cash Flow

Instantly transform your credit card into REAL cash.

Cash Flow lets you perform a direct, visual transformation that feels natural and spontaneous. Take a credit card taken openly from your wallet and instantly turn it into a real banknote, without any cover or suspicious handling.

Designed to feel effortless, Cash Flow is practical, discreet, and always ready when you are. The moment is immediate, the outcome undeniable: real cash, usable on the spot. A powerful, organic miracle that lives quietly in your wallet: Perfect for casual performances, close-up situations, or anytime you want.

What makes it special

- Always Ready: Slips into your wallet so you're always set for a mind-blowing performance.
- Works with Any Currency: Euros, dollars, pounds... Whatever you use, it adapts.
- Ultra-Visual Effect: The transformation is instant, seamless, and completely mind-boggling.
- A Regular Banknote: No gimmicked bills, no sneaky switch. Take it and use it immediately!
- No Suspicious Moves: The magic happens in full view, right under their noses.
- Easy to Learn, Impossible to Forget: A few minutes of practice, and you're performing a miracle.

What's included

- The ingenious Cash Flow gimmick.
- Easy-to-follow instructions to get your gimmick set up with your own currency.
- A detailed tutorial with multiple handling variations and presentation tips.
