

# Assassin's Creed Legacy Version 2 Onyx (Hidden Blade) - Pokerdeck

This **HIDDEN BLADE** Edition features a meticulously designed Hidden Blade tuck box accompanied by an extra slipcase, adding an element of mystery and sophistication to your collection. The tuck box features the hidden blade that's basically synonymous with the Assassin's Creed series. Also, the extra slipcase as a cover, boasts intricate embossing and hot foiling, elevating the aesthetics of the deck.

## Court Cards

The court cards in the Assassin's Creed Playing Cards deck are a tribute to the legendary figures from the Assassin's Creed universe. Each card features meticulously illustrated characters from the series, such as iconic Assassins and formidable Templars. The intricate designs capture the essence of these characters, showcasing their unique personalities and roles within the Assassin's Creed saga.

## Number Cards

The number cards in the Assassin's Creed Playing Cards deck are not just placeholders; they are intricately designed elements that seamlessly blend with the overall theme of the deck. Each number card is adorned with custom pips that reflect key symbols and motifs from the Assassin's Creed universe. Whether it's the suits representing different factions or the intricate detailing that ties back to the historical settings of the games, every number card is a work of art in its own right.

## Card Backs

Designed for the discerning player, this deck features a 2-way card back. No matter how you hold your cards, the cold-foiled, symmetrical design remains perfectly aligned, revealing the hidden Assassin's insignia and historical motifs.

## Animated Playing Cards

Flip through the deck, and in the corner, you'll spot an assassin sprinting-just like in the iconic Assassin's Creed gameplay.
