

Parlor Rising Card by Murphy's Magic

Discover the **Parlor Rising Card**, a meticulously handcrafted masterpiece designed for magicians who value precision and elegance.

Every piece is thoughtfully crafted with the finest materials, combining art and engineering to bring you the ultimate rising card experience.

Encased in a beautiful glass dome and solid, wooden base, this unique creation features the exclusive Cardra Glass, the perfect lens for showcasing your magic with clarity and style.

With the precision of a master craftsman, the cards rise straight up without a hint of tilt, thanks to a magnetic locking system paired with a finely tuned guided track, delivering smooth, flawless vertical motion.

Complete control is at your fingertips, no forcing required, and any card can be used. Multiple signed cards can be selected and will gracefully rise from the deck in the exact order you choose, all effortlessly managed by a multiple-function remote.

Every detail is thoughtfully considered, from the super-thin gimmick to the magnetic locking system, ensuring your performance is seamless and stunning. When not performing, the **Parlor Rising Card** is a beautiful display piece that adds charm and sophistication to any shelf or collection.

No skill is needed-just your passion and presence. Included online instructions walk you through multiple routines and handlings, guiding you to perform magic as it was meant to be: elegant, precise, and unforgettable.
