

Parasol Production

Introduce to your audience a three-sided frame in vibrant red and blue. With just a few simple moves and a touch of real stage magic, the impossible happens: five large, colorful parasols appear one after another right from the frame, turning the stage into a burst of color and wonder.

Highly visual and full of color.

Big stage impact.

Easy to perform.

Perfect for stage magic and parlor magic, ideal for family and kids' shows.

The set includes:

- 5 colored umbrellas.
- Frame.
- Gimmick.
