

## Limited Edition Eddy Smit Magic Table Bell Mini

In 1989, Eddy Smit introduced his Magic Table Bell for the first time at the Dutch Championships. From the very beginning, it was clear that he had created something special - and many agreed. Following his stunning performance at the championships, Eddy was invited to present his act at numerous close-up gala shows and magic clubs. He also competed in many magic competitions, winning several awards.

Approximately seven years ago, I released the original Eddy Smit Magic Table Bell, also in a limited edition. Because I was able to perform my routine just as effectively with a smaller bell, I created a scaled-down version specifically for my own use. This version is now available as the Magic Table Bell Mini, limited to only 100 units worldwide.

**The Mini Bell** includes the following routines:

- Card under the bell (4 times)
- A pop-up routine
- A shop cup routine
- During the routine, the bell visibly comes apart and reassembles

I asked Eddy for permission to release his Bell in a smaller format, making it easier to transport. He gladly agreed. After a year of dedicated work, I am proud to present the Eddy Smit Magic Table Bell Mini.

Both Eddy and I are extremely pleased with the final result. Once again, the bell meets the high-quality standards you have come to expect from us. In addition, the Magic Table Bell includes my personal tutorial videos.

**The Eddy Smit Magic Table Bell** package contains:

- High-quality, polished bell
- 2 small Chop Cup balls
- 3 John Anders balls
- 4 blue final load balls
- All beautifully packaged in a premium box
