

Eye Candy by Alex Aparicio

Looking for something visual, organic, and different in magic?

Eye Candy is for you.

With **Eye Candy**, you can create your own routines and express your unique style. It's perfect for close-up magic, street magic, and social media performances.

What is Eye Candy?

It's a series of powerful visual moves that allow you to build your own routines. You can create stunning color changes, vanishes, appearances, penetrations, and much more.

It's not easy - but it's not difficult either. Like all magic, it simply takes practice.

Enjoy **Eye Candy**... and amaze your audience with something truly different.
