

Disney Fantasia Miracle Deck

Unlock enchantment and mystery with the **Disney Fantasia Miracle Deck** from FANTASMA Magic - a cleverly crafted mechanical deck where every card is "gimmicked" (long-and-short design), allowing you to instantly transform the entire deck to match a card selected by a spectator.

Perfect for magicians of any skill level (ages 8+), it makes card tricks look like pure magic: a spectator names a card, you snap your fingers - and ta-da: the whole deck now matches their choice.

Compact, surprising, and ideal for close-up magic or building into bigger routines, this deck adds a touch of seamless illusion every time you perform.
