

Power Cube by Tora Magic

A colorful cube and six small single-color cubes are shown... step by step, by answering a few questions, the audience ends up choosing one of the small cubes—and the colorful cube changes to match the exact color of the cube they picked!

Includes 1 large cube + 6 small cubes and a special gimmick.

Very easy to perform and can be presented anywhere.

Mental Power Cube comes with a high-quality cube that lets you read your audience's mind and perform like a real mentalist.
