

Picasso Playing Cards by 52 MUSÉE - Standard Edition

Through Picasso's signature distorted lines and vibrant colors, this deck not only showcases his distinctive artistic style but also captivates with a dazzling Laser HOLO effect that plays with light and shadow.

Inspired by Picasso's iconic Guernica and crafted with holographic foils, this bespoke deck box exudes refined luxury. The matte paper finish further emphasizes the somber weight of history.

Graceful gold foil adorns the Spanish architectural motifs, their intricate designs standing in stark contrast to the ruins depicted in the artwork.

The fusion of Laser HOLO foil and Picasso's distinctive brushstrokes creates a striking visual effect, with the shimmering light seemingly whispering the profound meaning behind the art.
