

Bicycle Gino the Croco - Pokerdeck

Step into the world of **Gino the Croco**, the first mascot of a new lineage of collectible decks. Designed for those seeking to intrigue from the very first glance, this deck breaks away from the monotony of standard Bicycles to impose a singular visual identity. The alliance between the sleek sobriety of Bicycle cards and Gino's mischievous gaze creates a tool that is both robust and enigmatic.

For magicians, Gino is more than just an illustration: he is a silent accomplice capable of misdirecting attention! His design offers narrative potential, ideal for leaving a lasting impression during close-up performances. Collectors, meanwhile, will immediately identify this deck as the starting point of a much broader quest.

This first installment inaugurates a series of animals whose silhouettes are already beginning to take shape in the shadows. To own **Gino the Croco** is to hold the key to a collection destined to become a reference.
