

Venus Platinum (Black) by TCC Fashion - Pokerdeck

Enlarged version of Venus Platinum, with exquisite paintings and quality impressions, all new black and silver color tuning and light effects, and more wealth in the next layer.

Every time the board is written, it is attached to the illustrative story, and the limited number of songs in 2025 is included.

This is the beginning of the new era.

- Fine embossed detailing
- Large-area hot foil application
- Acanthus & volute S-curve back design
- Dual-sided metallic foil
- Gilded floral index design
